Mission to Alberta

Integrated Community Sustainability Planning (ICSP) Toolkit

New Deal for Cities and Communities

- May 2005 - NDCC signed between the Government of Canada and the Province of Alberta
- 3 Components
 - Transfers money for infrastructure from the gas tax
 - Enables municipalities to have a voice in future programs
 - Supports integrating planning through its requirement for an Integrated Community Sustainability Plan (ICSP)

Integrated Community Sustainability Planning (ICSP) Toolkit

Integrated Community Sustainability Plans

- Long range plan with four dimensions
 - Environment
 - Economic
 - Social
 - Cultural
- Each is to be developed through public consultation consultation
- Submission to Alberta Infrastructure and Transportation by 2009

Integrated Community Sustainability Planning (ICSP) Toolkit
